MOTION TO QUASH SUBPOENA

COMES NOW non-party David Duke, pursuant to Rule 45(d)(3)(A)(iv) of the Federal Rules of Civil Procedure, and files this his Motion to Quash and Brief in Support thereof. Movant seeks to quash the subpoena served upon him on the ground that the attached Document Requests are largely too vague to be enforced, are overbroad, unduly burdensome and irrelevant; production of the documents sought would be extremely difficult if not impossible and would subject Mr. Duke to undue burden and expense, and the time for compliance required by the subpoena is insufficient to allow for compliance.

This 23rd day of February, 2018.

Respectfully submitted,

David Duke
